

Melbourne Cup @ Karpaty

Those families and friends who came to "Karpaty" for the cup weekend enjoyed the break from the hustle and bustle of city life. Apart from some further work being done around the site, Melbourne Cup activities enhanced the weekend away.

On Sunday pod. Natalia Duma ran a workshop on how to make hats and fascinators. The creative talent of the participants

produced some amazing results that would rival many a hat or fascinator worn to the Spring Racing Carnival.

On Monday, a parade of these wonderful creations took place. The judges, Peter Romanyk and Claude Di Stefano, had some hard decisions to make. Prizes were awarded for "The Best Hats on the Field". First prize went to Gina Charos, second prize went to Mary Paraskevakis and third prize went to Natalia Duma. All the young girls received

a prize as their category was too difficult to judge as their creations were all fantastic. This was followed by the "Karpaty Cup" race and sweep organised by pod. Mary and d. Andrew Lech. The winner of the Karpaty Cup was the Paraskevakis Syndicate. They were presented with a nice bottle of bubbly, "Karpaty" wine glasses and their jockey, Eva Paraskevakis, with the winner's sash "Karpaty Cup 2008".

On Tuesday, the youngest of our members organised a Talent Quest where even the adults battled it out with the youth for best talent.

Apart from the organised activities, there was swimming at Marysville, motor bike riding and lots of socialising time around the camp fire in the evenings. All in all, it was a very enjoyable weekend away.
