

## **DEB CAMP 29/08 – 30/08/09**

The Debutante Program this year commenced in July and part of the program incorporates a two day Deb Camp. Usually Deb Camp occurs at CYM camp Karpaty, but as we all know, that wasn't possible this year.

Deb Camp was held at Mackillop Family Services campsite at Shoreham and after a National Lampoon's vacation disaster start to the weekend, all participants had a good time.

During Deb Camp the Debutante's started on their personal silhouettes and many budding artists were revealed. We played team games, had a fashion parade and had a Masterchef competition where the Debutantes showed the Masterchef judges that they were all competent chefs in the making. (Maybe these budding chefs can cook at future camps???)

Apart from Deb Camp, the participants have had sessions at Docklands and at Dnister as well as weekly dancing lessons and general sessions where many different topics have been discussed.

The Debutante course will continue for another two weeks and will culminate in the presentation of the Debutantes at the Deb Ball on Saturday 10<sup>th</sup> October at Roseville Reception Centre in Essendon. We invite you all to attend the Deb Ball and share in the festivities.
