Whitewater Rafting

The only gear the kids need to bring is a swimsuit and a towel. If it is a cooler day they may want to bring a light FLEECE shirt. NO COTTON.

If any of the kids need to wear their glasses we suggest a strap. We sell floating ones for \$6.00 each.

Also, as a medical precaution. If any of the kids need to bring Asthma inhalers or any other type of medication, we do have a water tight bag they can go in.
