

Questions to ask manufacturers regarding production and distribution of odnostroji:

1. Is the material polyester – cotton blend for easy wash and wear?
2. Is the material light-weight? Does it “breathe”? Can we get a swatch for comparison purposes?
3. Can the colors be easily matched to our existing colors?
4. Can the firm guarantee the same color over time – for how long?
5. Is the pattern/cut of the shirt similar to what we already have? Can the current one be duplicated?
6. Can they supply men’s pants, women’s skirts and pants and shorts for both genders? Can we see styles?
7. Can they supply a range of sizes from 6 years old to 18 and adult sizes of small, medium, large and extra large?
8. Can they supply ties in the colors required, belts, socks, and head covering?
9. What is the cost per each unit? Does this include all applicable taxes (sales tax, customs tax or duty) or is that on top of the unit price? How much can that be estimated per unit?
10. What is the minimum amount that we need to buy with one order or at one time?
11. Do we have to order a minimum of each size at one time or just a minimum total order of a number of items?
12. What are the production and delivery times following placement of an order?
13. How will they deliver? Will they deliver to one point only per continent/country (i.e. we will need to redistribute) or will they distribute the order to various destinations? Is there an additional charge for that and what is it?
14. Do they guarantee stock for how long?
15. Do we need to sign a contract and what are the terms of the contract? Are we locked into a timeframe, cost, etc?
