Brief for Vyhovnyky in tabir

The themes for tabir 2011 are based on the richnytsi for 2011 the main two being the 20th anniversary of Independence and the 25th anniversary of the Chernobyl disaster – bare these in mind when filling in the application form as we need you to be more specific than in previous years and let us know exactly what your input is going to be so we can prepare the timetable in advance. You can also choose subjects from the list of richnytsi which your holova can provide or by visiting the website. Forms will be returned if there is insufficient information. The expectation is that vyhovnyky will take a minimum of 4 sessions in a week. We have found that having a theme works well but if you feel you would prefer one of the other richnytsi for 2011 then this can be discussed with Hania Szhliachetko – Hol. Vyhovnyk KY. Do contact Hania anyway as she can guide you to resources and materials to help you prepare in advance.

- Vyhovnyky registering for a period of time at tabir must be committed to remaining at tabir for the duration of that period. If there are work commitments proqramoviy/va must know well in advance so there are no unnecessary disruptions to the timetable.
- Vyhovnyky are to be available to go on rotas for stiyka (one or two per week), dezbur, cleaning the hall after meals, serving meals and washing up.
- We also need vyhovnyky to support and offer extra supervision in other hutirky (Child Protection Policy)
- Vyhovnyky will also lead a daily conversation group.
- Read the handbook.
- Read and be aware of the policies and procedures – Child Protection, Health, Safety and Welfare, the reporting of incidences, alcohol etc.
- Going out shopping is discouraged unless absolutely essential. Gates are to be kept locked for reasons of security – check in kanselaria for procedures of locking and unlocking gates, signing-out and giving reasons.
