Greetings,

The American Ukrainian Youth Association is a non-profit worldwide organization which, since 1949, has been providing educational, cultural, and recreational services to youth of Ukrainian descent. The Chicago Chapter is one of the founding chapters and services the greater Chicago metropolitan area. In addition to primary youth activities, the Chicago Chapter has sponsored the Wings Sports Club for sixty years, with particular emphasis on amateur-level and youth soccer. The Wings Sports Club has been a proud member of the Metropolitan Soccer League since 1983. The league is regarded as one of the top amateur soccer leagues in the United States with many past winners of the US Amateur Cup and US Open Cup coming from the Metropolitan Soccer League.

On the weekend of August 11th & 12th, the Wings Sports Club will be hosting the 25th Annual Wings Soccer Tournament and also commemorating it's 60th anniversary as an active sports club. The tournament is played in Baraboo, Wisconsin at the American Ukrainian Youth Association's campsite/resort. Last year was the most successful turnout, with 22 clubs participating (10 Open Teams & 4 Over-30 Teams and 8 Over-40 Teams). The tournament drew about 2,000 spectators and proved to be a great success. An even larger turnout is expected this year. We are offering advertising opportunities to give families and businesses the chance to show their support for the Wings Sports Club along with the American Ukrainian Youth Association. During the weekend, a program book will be distributed in which pages will be offered for advertising (please see below for available ad sizes). We would be thrilled to include you among our sponsors. All proceeds go the American Ukrainian Youth Association, the main sponsor of the Wings Sports Club.

For more information regarding the Program Book, please contact Jaro Chylak at 773-919-5476. With your help, the Wings can continue their success. Thank you in advance.

To aid in your bookkeeping, AUYA's Federal Tax Identification Number can be provided upon request. All donations are tax-deductible to the extent of the law.
